

Dear All,

Galenicum and Ideal Cures are pleased to invite you to the conference:

**INSTACOAT 4G\*** - Innovation in film coating technology from Ideal Cures Pvt. Ltd.

“The new ready-to-use film coating system for solid dosage forms, the most advanced on the market, developed by Ideal Cures Pvt. Ltd.”

The conference will be led by Dario Luini, EMEA & US Sales and Technical Manager for Ideal Cures, which is represented by Galenicum . It will take place in Barcelona’s CPhI 2016 on the 5th of October, at 12:30, at Hall 2 in the 2C70 space.
