pharm-a-spheres™	Qualitätsmanagementsystem Formblätter	freigegeben und gültig ab: <b>06.03.2014</b>	Seite : 1 von: 1
			
Version 03	Product specification GMP statement	Codierung: QMS-7_2-03-00-131	

**Pharm-a-spheres™ pellets neutral  
all sizes**

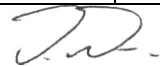

**Item nos. 08000 - 08699**

#### **GMP statement**

Pharm-a-spheres™ pellets neutral are a bulk pharmaceutical excipient without active ingredients (so-called non-medicine pellets). According to the German health legislation these are no subject to the official GMP supervision.

Of course, the manufacturing of the pharm-a-spheres™ pellets neutral is conform to the GMP rules, especially the IPEC GMP guide for bulk pharmaceutical excipients is observed. Regular audits of some of our key customers show conformity to the current requirements.

This product information has been edited and checked carefully and corresponds to the relevant EU legislation at this moment. It is valid for one year from the date of transmission, if not withdrawn earlier because of relevant changes.
