

# INHALATION INSIGHTS

2018 | July 5  
Kuala Lumpur | Malaysia

## DRY POWDER INHALATION TECHNOLOGY SYMPOSIUM Thursday, July 5th, 2018 - Kuala Lumpur, Malaysia

We are pleased to invite you to **INHALATION INSIGHTS**, a Dry Powder Inhalation Technology Symposium in cooperation with Constantia Flexibles, Harro Höfliger, Meggle, Merxin, Nanopharm and Dr. Wong from Universiti Teknologi MARA, Malaysia being held at the Ritz-Carlton in Kuala Lumpur.

What you can expect at the **1-day symposium**:

- First-hand knowledge related to DPI technology along the complete process chain (from powder characteristics and formulations, filling technologies, device design assembly and packaging)
- Discussions on the latest market trends and “state of the art” insights with regard to quality control, excipients and manufacturing technology. All lectures will be held in English.

Who will attend:

- This program is intended for the pharma industry with an interest in dry powder inhaler (DPI) technology. During your participation you can increase your network and gain knowledge about the business opportunity of DPI drugs as well as the development of innovative product variations – all starting from your product idea.

**We look forward to seeing you there!**
